

Charlottesville Astronomical Society

*Dedicated to promoting the
enjoyment of observing & learning
for people of all ages,
backgrounds & levels
of astronomical experience.*

Regular club meetings take place
on the first Wednesday of each month,
every month of the year, at 7:00pm, at
the Leander McCormick Observatory,
at the University of Virginia.

More information, including directions
and schedules of events, is available at:
www.cvilleastro.com

Annual membership fees:

- \$25 per year for individuals
- \$30 family membership
- \$15 for seniors (65 & over), students (up to 22 & enrolled), active duty military & teachers
- Science teachers through 12th grade free for first year

Membership includes access to private observing sites, membership in the Astronomical League, and membership in the International Dark Sky Association. You may join at any time of year. Membership renewal is due by the first club meeting in March. Those who join after October 1st of any year do not have to renew the following year. If you would like to join CAS, simply fill out the form below and mail it with your check, made out to the Charlottesville Astronomical Society (CAS), to:

Michael Hegedus, CAS Treasurer
8 Towpath St., Palmyra, VA 22963
